

Prof. Krzysztof Pawlikowski

Visiting positions:

- May-June 2013: Visiting Professor, Faculty of Computer Science, School of Computing, Blekinge Institute of Technology, BTH, Karlskrona, Sweden
- May-June 2009: Visiting Professor, Faculty of Computer Science, Univ. of Wuerzburg, Germany
- April 2009: Visiting Professor, Faculty of Computer Science, Univ. of Vienna, Austria
- May 2006: Visiting Professor, Faculty of Theoretical Information Technology, Aachen Academy of Technology (RWTH), Aachen, Germany
- April 2006: Visiting Professor, Dept. of Electrical Eng. and Computer Science, Technical Univ. of Berlin, Germany.
- March 2006: Visiting Professor, Dept. of Electronic Engineering, Technical University of Torino, Torino, Italy,
- May/June 2004: Visiting Professor, Dept. of Electrical Eng. and Computer Science, Technical Univ. of Berlin, Germany.
- April/May 2004: Visiting Professor, Dept. of Computer Science, Univ. of Wuerzburg, Germany
- April 2003: Visiting Professor, Dept. of Computer Science, University of Stellenbosch, Cape Town, South Africa (offered)
- April-May 2002: Visiting Professor, Dept. of Computer Science, Aachen Academy of Technology (RWTH), Aachen, Germany
- March 2002: Visiting Professor, Dipartimento di Informatica, Sistemistica e Telematica (DIST), University of Genova, Genova, Italy,
- Feb.-March 2001: Visiting Professor, Dept. of Computer Science, University of New South Wales, Sydney, Australia
- June 2000: Visiting Researcher, Dept. of Econometrics and Information Systems, Tilburg University, the Netherlands
- May 2000: Visiting Professor, Dept. of Electronic Engineering, Technical University of Torino, Torino, Italy,
- fall 1999: Humboldt Research Fellow, the Alexander-von-Humboldt Foundation, at Technical University of Berlin, Germany.
- Jan. 1997: Visiting Senior Scientist, GMD FOKUS (German National Research Center for Information Technology) in Berlin, Germany
- May 1990: Visiting Senior Scientist, Telecom Australia Research Laboratories in Melbourne, Australia
- fall 1988: Visiting Associate Professor in Computer Engineering, Clemson University, Clemson, South Carolina, USA
- 1983 - 1984: Humboldt Research Fellow, the Alexander-von-Humboldt Foundation, at University of Technology (RWTH) in Aachen (1984), and University of Frankfurt am Main (1983-1984), Germany
